“ So sorry to hear of Scott's passing. Scott was a great friend during our Air Force days at Wright Patterson. We could talk sports for hours, he truly loved basketball and his Lakers. We had drifted apart over the years as many times happen but I often think fondly of our time together in the military. Condolences to his wife and kids on this very sad occasion. “ I have a lot to thank Scott for. He was an amazing Dad and valued family so much. I had the opportunity to get to know him over the years and am so thankful for every birthday and holiday celebrated together. No matter how busy he was, Scott always found time for everyone else. When me and Sam moved, he came out to Ohio not one but two weekends in a row to help us move our belongings and mount our TVs and bathroom medicine cabinet because we couldn't do it without him. I was on my way to Nashville to celebrate my birthday and noticed my car tire had a weird bulge sticking out of it. The first person I called was Scott because he was Mr. FixIt and I knew he would know what to do. I will never forget the hot summer afternoons spent at the flea market in July or when Scott introduced me to Mundurf mall and their ice cream. When Sam and I first started dating, I remember being so nervous to meet his family. We went out to a Mexican restaurant to meet everyone and after only a few minutes Scott made me feel like I fit right in. Scott raised three amazing kids, one who I am lucky enough to call my boyfriend. He was the perfect example of what a father should be; teaching Sam the importance of hard work and how to be a gentleman. I feel so honored to have gotten to know the man who raised the one I love most and his absence will truly be missed.

“ *Missed seeing my cousin more often. Time goes by so quickly. I remember playing with you as a child, but then we grew up and got too busy. I pray for Penny and his children, his family and all of his friends. I know, Uncle Buzz and Aunt Sally are there to welcome him home. We will all join you soon, Scott. God bless his soul.*
