“ Shanna, my heart is breaking. I just can't believe you are gone. All the times with EMS, watching and laughing with crystal while she's "washing windows" with steering wheel and you making sure there was no bullying. And the beautiful home that Crystal worked so hard on for you. So many wonderful memories. I am a better person because of you. Strength, courage, and respecting myself. You taught me so much. I will always love you both, and I look forward to our paths crossing again. 🍷🙏🍷

“ My deepest sympathy and heartfelt prayers go out to Crystal, Ted, family and friends of Shanna. She is and was one of the finest people I have had the pleasure to know in my lifetime. Her upbeat attitude, high degree of self-confidence, strong/firm demeanor and warm personality were unmatched.

She is one of those people that you don't replace, you just fill the void the best that you can. She will be missed.

“ Shanna you were a trusted friend and colleague for all of the 15 years you served at Fourth Street Foods. If anyone had a problem or issue at the plant, you were available to help solve it. Your endearing tone and knowledge for the business often outshined us all. I grew to know you dearly and respect you well. I often relied on you for medical advice and any advice needed in relation to my pet! I was blessed to join you and your family for boat outings on the lake. It was an amazing time with lots of laughter and banter, trying hard not to talk shop while enjoying the boat rides - and yes, I know I always packed too big of a cooler.

*Shanna, you're missed my friend - I've been praying for you and your family, and I will continue to do so!*
