“ You all have my deepest sympathy. Shirley wasn't only my family but also my friend, she was part of my life and I have many happy moments and memories of times shared with her. I remember when her and your dad brought each of you kids out to see grandma, they were so proud. She will be missed.

“ Shirley and my Mom Imogene were best of friends for over 60 years. I have many fond memories of them. Shirley was a neighbor and a very good friend even after she moved. They were both great women. I'm so sorry for Shirley's family. Sending all my love and condolences to each and every one of them. May God give you strength and comfort in this very difficult time. Love you all.
