“ Sandy and family So sorry to hear about Smokey, I pass your home taking my husband to Pittsburh and often wondered how Smokey and you were doing. I am sorry that I won't be able to pay my respects at the Funeral Home so the next option is to e-mail you my sincere sorrow. My husband was diagnosed with brain cancer and I take him to Hileman Cancer Center in Shadyside and I can't leave him alone and he is not able to go with me to see Smokey, I won't tell him that Smokey passed away because it would upset him too much and right now I have my hands full trying to keep him going. It is such a rough road to travel when you see your love suffer and you try all you can to help but nothing seems to work, if it wasn't for my faith in God I don't think I could make it. Please know how sorry I am, you and Smokey were part of our life that was fun and happy and that is what will be remembered. God Bless you and your family and give you strength to get through the days ahead, Pray for us also Sandy that we get through the days ahead. When you get a chance after things get a little settled, call me so we could talk, so glad I got to see you and Smokey at WalMart, that was so long ago. God Bless you.
