“ *My dear family, I so longed to personally hug you and see your faces.
My beautiful Theresa made sure I had a care package of cookies every time I brought your dad Communion. It was like visiting my family on Sunday with the smell of sauce cooking and the conversation they had with one another, always smiling, kind and patient. We are all better people having them in our life, showing us the example of a journey filled with faith. Peace to her, good and faithful servant. Love and sympathy to all of us, Sue Ann Edwards*

“ Yvonne,

*I didn't know your mom but your dad was a big part of my life
growing up in downtown Belle Vernon. My mom sent me to the
store nearly every day so I saw your dad and his brother Joe very
often. Your dad talked a lot about his "girls", including your mom. I
just know that he has been saving a place for her in Heaven ever
since he got there.*

*I am so sorry for your loss. May your memories and your faith
comfort you.*
