“ I knew Tim through the Mon Valley RC Club for over 30 years. We served as leaders of the group at different time. Most of all we had fun flying. He was always quick to help a new member. Tim was always willing to lend a hand and share a conversation. When he was not there , we caught up quickly with life issues. The Mon Valley RC club will miss you, but , I will miss your friendship. Fly Tim. Be at peace. May you rest in Gods eternal peace.

“ Tim was my flight instructor at the mon valley rc club. He was a very patient, and detailed instructor that volunteered many hours of his time to promote the hobby. Tim not only instructed many of the other club members he was also first to volunteer for many club projects and over the years held several officer positions in the club. He was a gentleman with a unique sense of humor following in the footsteps of his father. Godspeed, blue skies and tail winds my friend. Scot

I thank Tim for the great gift of friendship he gave my brother over the years. I never had the opportunity to meet him, but I know from all my brother said that Tim was an exceptional person, a person who took care of his parents, among other things. RIP dear Tim. You will be missed.
