“ *Kristie and I will always remember your rooster story from when you were about ten years old. Who knew that a rooster could fly, especially after meanly pecking your legs! One boot, one butt, and one flying rooster over the coop. It was a good thing that you could run faster than Grandpap Hanas. We will miss you until we meet again. Hugs and prayers of sympathy, comfort, and peace to Eileen, the kids, the grandkids, and Maddie the dog.*
